Arizona Women's Partnership

AZWP grant recipients are selected annually by an application and review process. Many are multiple year recipients. Founder and President Paula Cullison proudly notes that the Arizona Women's Partnership has awarded over \$200,000 in grants to Arizona charities since its formation in 2002.

Profiles of our **grant recipients** and **grant application** can be found under the [Documents](#) section of the website.

The AZWP 2012 Grant Review Committee
